NOTICE

TO: UNIVERSITY STUDENTS

RE: NOTIFICATION FOR REGISTRATION

This is to inform **all** students that starting from **Monday, 11th December 2023**, they will be required to show their **Exam Tickets** on entering the University premises as a proof of **Course registration** for the first semester. Failure to do so will result in being restricted from joining the classes.

Students are urged and encouraged to complete their **Fee payment** for this Semester installment and do course registration to avoid any inconveniences.

Furthermore, as for those who are the beneficiaries of **Loan Boards or Daral Iman**, they are required to sign their payments within stipulated dates.

Once again, the University Management encourages **all** students to abide with this notice.

Thanks
